

Welcome to Linda and Tommy's genealogy site

On the first page you will see Tommy & Linda, under which are our parents and at the bottom, our children and grandchildren. You will see Tommy's family on the left side and Linda's on the right. If you hover with the cursor over a photo, you will see who it is, and if you click on it you will come to the family list showing this person and his/her immediate family.

You can always return to the previous page by clicking on the arrow at the top left of the screen.

If you click on the heading "Thörnqvist" or "Evans Thörnqvist" you will come to the beginning of the family list beginning with Tommy or Linda.

If you are looking for a specific person, you can go to the name index, choose the first letter of the last name to find the person you seek.

If you see the symbol  beside a person/persons or location, you can see a photo by clicking on the symbol. A description of the photo can be seen when you hover over the symbol.

If you click on the symbol  you will find a page showing the persons children, grandchildren and great grandchildren.

If you click on the symbol  you will find a copy of the obituary.
